

PSI: Licensure

Contractor/Trades

PSI is recognized as a leader in providing unique solutions and services to more than 100 government regulatory agencies. Agencies across the country have overwhelmingly selected PSI as their vendor of choice for testing and licensing needs. Today we are the largest provider of Construction state licensure examinations in the country. We offer end-to-end solutions from test development to administration to results processing to data management.

PSI has earned an outstanding reputation for responsive customer service and superior products. PSI's team of customer service representatives, proctors, and project managers are well recognized for their subject matter expertise and commitment to the success of your program. We empower our employees to make the right decisions to serve your regulatory agency with immediate solutions.
